The ITSF Table Soccer World Tour is a series of tournaments organised every year under the aegis of the International Table Soccer Federation (ITSF), the authority that oversees the practise of table soccer worldwide. The 60-plus-tournament ITSF World Tour is divided into three categories : international tournaments, 5 World Championship Series (WCS) events and 1 World Cup. Each of the World Championship Series events is a « mini World Cup» on each ITSF Official Table. The World Cup, the culminating point of the foosball season, is played on all 5 tables, which correspond to different styles of table soccer playing.

The WCS events and the World Cup are largely covered by the media and followed by the public: **more than 15 000 spectators** attended these competitions in 2010.
