Assigning ranks to players with the same number of points:

- **In case 2 players or more have the same number of points**, a different rank will be assigned to them, by calculating the **number of competitions he participated the most**.
- **If 2 or more players are still tied after this**, then the **player who has earned the most points in one single competition will be ranked higher**.

4. Players world ranking update

Players World ranking Nation run over a **12 month period**.

- Rankings will be updated after each tournament of the ITSF World Tour and results will be valid for the next 12 months.
- Note that results of a tournament replace the results of that same tournament from the year before only for World Championship Series.

5. Total points vs. Current points

Total of points displayed in each player's profile shows the amount of points earned over the last 12 months. This makes it possible to seed players for each ITSF tournaments.

However, for players' convenience, the Rankings also display **Current points**. These indicate the total number of points earned by the player in the current Tour (January 1st to Dec. 31). Similarly, the Rank number displayed beside the current points indicates the **Current rank** of the player.
