01 INTRODUCTION

THE WORLD CHAMPIONSHIP SERIES EVENTS

There are 5 World Championship Series (WCS) events in the annual ITSF Tour, one on each ITSF Official table (Tornado, Leonhart, Roberto Sport, Garlando, Bonzini).

Each of these events is a "mini World Championships event" on a single table, as opposed to the end-of-the-Tour World Championships which take place on all 5 tables.

The first 3 Open Singles winners of each WCS event, as well as the winners of the Women's Singles, Junior Singles and Senior Singles categories are automatically qualified for the World Championships.

These 6 players also benefit from a travel package to attend the World Championships (each package amounts to € 250 to € 800 depending on where they reside).

12 international titles are awarded at each WCS event:

01. Open Singles
02. Open Doubles
03. Junior Singles
04. Junior Doubles
05. Senior Singles
06. Senior Doubles
07. Women's Singles
08. Women's Doubles
09. Disabled Doubles
10. Senior National Team
11. Men's National Team
12. Women's National Team

RULES AND MATCH FORMAT

All events in the ITSF World Tour are played according to the international Game Rules, to be found in several languages on the ITSF website: www.table-soccer.org/rules

Qualification

- All qualification matches are played in a single 7-point game.
- The FAST software takes into account the level of a player's opponents when determining qualification matches, in order for the automatic draw to be fair to all players.

Elimination

- All matches of the elimination phase, except in the DYP events, are played with the following format : Single KO, best of 5 games, first to 5 in each game, with a 2-point difference in the last game up to a maximum of 8 points.
- DYP events : best of 3 games, with a 2-point difference in the last game up to a maximum of 8 points.

TOP SEEDS

All Top Seeds are determined using the rankings as they are 4 weeks before the start of the event. These rankings will be displayed on the [ITSF website](http://www.itsfworldtour.com) upon reception of the results of the last event to take place before the 4-week span - changes taking place afterwards will not be taken into consideration.

Women's competitions

- If there are **more than 32 competitors**: there shall be 4 Top Seeds (TS) according to the ITSF World Ranking + 2 TS determined by the host federation (= wild cards). These 6 Top Seeds don't play qualification matches.
- If there are **32 competitors or less**: there shall be 4 Top Seeds (TS) according to the ITSF World Ranking. These TS play qualification matches but do not play against each other during that qualifying phase.

Open competitions

- There shall be 8 Top Seeds (TS) according to the ITSF World Ranking + 4 Top Seeds determined by the host federation (= wild cards). These 12 Top Seeds don't play qualification matches.
- In the Doubles event, points from both partners are added for the seeding.

CATEGORIES

Specific conditions

➤ **Women and Senior players** (50 years old and older on December 31st, 2010) must choose between playing in their category (WS, WD, SS, SD) or playing in the Open events (OS, OD). Exceptionally, if there are very few competitors in their category (8 or less) players/teams will be allowed to compete in both events.

In that case, the competition in their category shall start 2 hours after the start of the elimination matches in the Open category and shall be played in Single KO. In case of time conflicts when launching matches, the Open event must be given priority. Also if there are 8 or less players/teams in that category (minimum 3), only 50 % of the prize money will be paid out to players.

➤ **Junior players** (under 18 years old on December 31st, 2010) can play both the Junior Singles and Open Singles (they take place on different days) but not the Singles per category competitions (Rookie, Pro and Semi Pro) nor the Mixed Doubles. Also, they have to choose between Junior Doubles and Open Doubles, except if there are 8 or less competitors in their category. In that case, if at least 1 team wants to play in the Open event, then the rule above is implemented (Junior Doubles in SKO, etc).

Rating categories

➤ There are **3 rating categories**:
Pro = Top 150 players in [ITSF Combined Rankings](http://www.itsfworldtour.com) (Singles + Doubles)
and Pro/Pro-Elite players in FFFT Rankings
Semi Pro = A and B Series in the FFFT Rankings + all other non French players
Rookie = C Series in the FFFT Rankings (French players)
Women players can choose to play in the Rookie category.

➤ The **final rankings** to be used are displayed on the ITSF website upon reception of the results of the last event to take place before the 4-week span - changes that take place after this date are not taken into consideration.

➤ For Doubles events: a player may take part in a competition in a higher category than his/her own if his/her partner is ranked in that category.

The tournament fee includes the following:

The tournament organizers use the referee fee to pay the referees who officiate during their event.

Referees receive between € 2 and € 5 per game depending on their level and for elimination matches only.

**DOWNLOAD
YOUR
REGISTRATION
SHEETS FROM THE
ITSF WEBSITE**

Why pay a referee fee?

The referee fee is meant to motivate players to become referees. Tournament organizers use this money to pay referees who officiate during their event.

For more information, visit the ITSF website:

www.table-soccer.org/rules

This fee does not guarantee players that they will have a referee at all times; it is mathematically impossible to have enough referees in the first rounds of a competition since most referees are also players. If no referee is available, the match must go on or else players/teams will be sanctioned (they may both get disqualified) for delaying the competition. However, it is clearly stated in the Referee Code that when a certified ITSF referee registers to play in a tournament, he/she is under the obligation to officiate (except in specific cases).

All referees have to wear ITSF referee shirts displaying their referee level. See referee dress code on: www.table-soccer.org/rules/dresscode.php

Official Clinics for referees will be held at 9:00 pm on the first 3 days of the event.

TST - HANDLE CHANGE SYSTEM

➤ In all 2011 WCS events, tables will be set up without handles, so that the TST Company can install its handle adaptors on all tables one day before the tournament start.

➤ Competitors will play exclusively with the handles and handle change system provided by the TST Company.

➤ Players who do not yet have their own handles will be able to rent some from the TST Company.

Visit the TST website at :

Handles for rent:
